

COMMUNITY UPDATE

Car park completion

We advise airport users that new traffic flow and vehicle parking improvements are in place.

Construction of car park and ground transport areas are complete. There are new road networks, parking, vehicle and pedestrian access to facilities on the airport. Safety is paramount, we ask every airport user to adhere to speed limits and directions by airport personnel.

Completion of all landside redevelopment elements is expected mid-April. We thank you for your patience.

KEY POINTS

- Customers are advised to use the pedestrian boulevard to and from the terminal
- Drop off and pick up is nice and close, strictly 2 minutes only
- Accessible drop off, pick up and parking is close to the terminal
- Parking is free (for a short time)

- Airport ambassador assistance is available
- Designated smoking area (smoking is not permitted elsewhere, please respect other users and staff)

WHAT'S TO COME

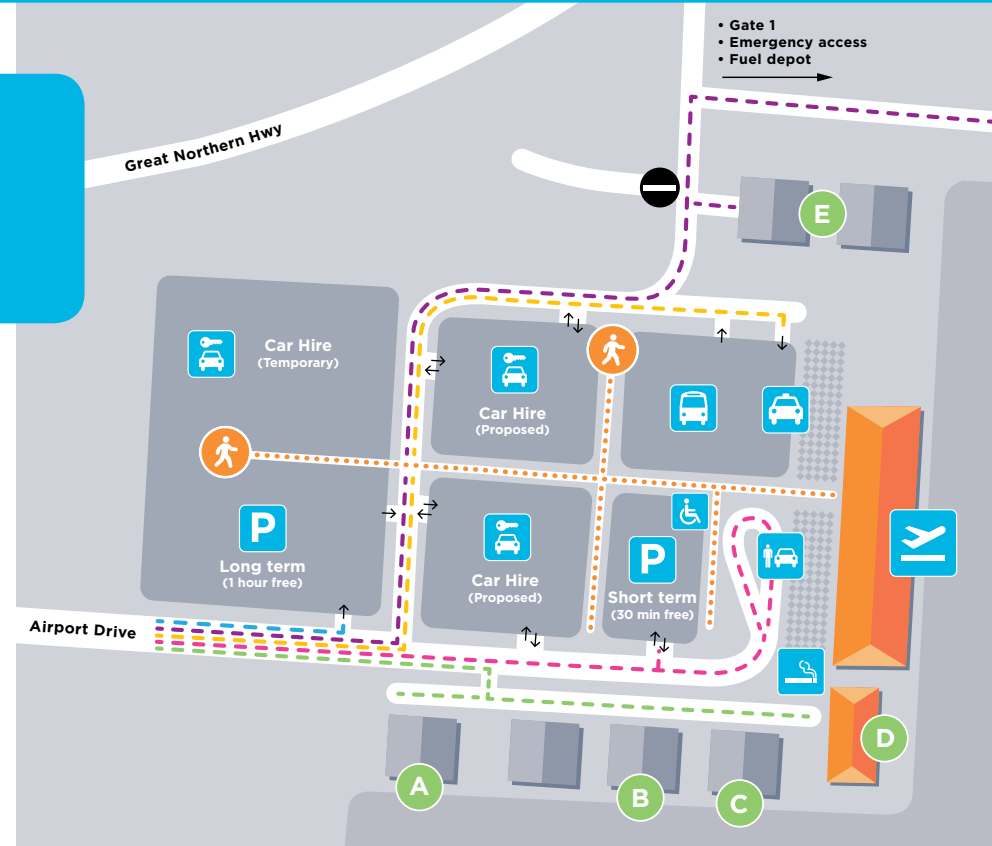

- Completion of new car rental facilities
- Paid parking will be reinstated 01 April
