## 1. CONDITIONS OF USE

The following document outlines the operation of the car park, and the conditions of use at Port Hedland International Airport for registered Taxi/Rideshare vehicles;

- The Ground Transport Card (Card) enables users to utilise assigned parking areas at Port Hedland International Airport (PHIA). Upon completion and authorisation of the application form, a Card or RFID sticker will be assigned to the registration of the vehicle on the application form. This Card will enable the user access to the Bus and Taxi/Rideshare car park only. All drivers must adhere to only parking in marked pick up zone and staging areas only.
- For lost or stolen Cards, a \$50.00 (incl. GST) fee will be payable. You must contact PHIA on 08 9160 0500 to have the original lost or stolen card suspended. If a card is lost or stolen the card holder will be liable for any incurred charges at standard tariffs until the card is suspended. Standard airport parking tariffs outlined below:

### **Pick up fee**

\$4.00 per pick up

- If Cards/Stickers are no longer required, please return to the Airport Operations Office.
- Each Card/Sticker remains the property of the PHIA.
- Account holders are responsible for the management of their own use of the Card.
- Each Card/Sticker will have an anti-pass back function activated to prevent misuse. This means you cannot hand the Card/Sticker back to another car to swipe in; you can only swipe in and then you must swipe out.

- It is an offence to bring or consume alcohol at Port Hedland International Airport except in the areas within the terminal building licensed under the *Liquor Control Act 1988*. Any person found consuming alcohol, supplying alcohol for consumption by them or others, or supply on behalf of another person within the airport boundary will face immediate removal from the airport and be reported to Police and Department of Transport.
- Port Hedland International Airport will be entitled to recover the cost of repairing or replacing any damage to the Carpark or Carpark control equipment caused in any way by your vehicle. It is therefore a requirement that all vehicles using Port Hedland International Airport have current and adequate insurance.
- The fees stated in this document are correct as of 1 April 2021. Port Hedland International Airport reserves the rights to review and change fees and charges without notice.
- Card applications are processed Monday – Friday between 7.00am - 3.30pm, at the Airport Operations Office currently located adjacent to the Airport Terminal.
